## NY Cursillo English

### A Message from the Lay Director

Dear Brothers and Sisters in Christ,

The following is a quote from Cardinal Jorge Mario Bergoglio, S.J., Archbishop of Buenos Aires, (future Pope Francis) addressing the Cursillistas in Argentina. The full text of his message is available for reading on page 12 in this issue of the Rooster.

*"It is necessary that the Cursillo Movement continues its journey of pastoral conversion through the participation of everyone."*

*As Cursillistas, in difficult times, you need to ask God for the Grace to sponsor many candidates, to always have a pre-Cursillo in motion, so that you will not fall into hopelessness."*

We want to congratulate Pope Francis on his election and offer our supporting prayers for his work ahead. We will remember to pray for him also as we do palanca for Cursillo Movement on the first day of every month.

The next 12 months are going to be exciting and yet challenging times for us in our Archdiocese. We will participate in the National Encounter at Hofstra University on July 25-28 and welcome Hoang Tran, our new National Cursillo Service Administrator. We also will greet many of our brothers and sisters from all over the United States to this first National Encounter in New York.

New Pope, new Director of our National Office, and now reuniting teams from the whole Archdiocese for our Fall weekends. In this process of renewal, let us pray and do palanca so that all of us will be open to the will of God. As Pope Francis mentioned in his address, let's keep our "pre-Cursillo in motion" --- make a friend, be a friend, bring a friend to Christ. Then most importantly guide these friends in their fourth day through Group Reunion and Ultreya.

To fulfill our mission as evangelizers, let's try to remember a quote from Mother Theresa: *"Let no one ever come to you without leaving better and happier. Be the living expression of God's kindness: kindness in your face, kindness in your eyes, kindness in your smile."*

Thank you for all that you do for Our Lord.  
John DeJulio, Lay Director

## Register / Volunteer for National Encounter

The National Encounter will be held at Hofstra University in Hempstead, NY during July 25-28, 2013. The registration fee is \$385.00 per person if registered by May 31, 2013. To register online use the following link: <https://www.natl-cursillo.org/encounter/>  
A mail-in application is available on a following page in this Rooster

This gathering will be an opportunity to make new friends, rekindle friendships, and continue deepening our knowledge and understanding of the Charism of Cursillo. It goes without saying; all Cursillo gatherings are an opportunity for on-going conversion and a nurturing of the three essential encounters with self, Christ, and others. This year's encounter will include a one-day workshop for all Cursillo Spiritual Advisors. Workshop sessions based on the Cursillo de Cursillos (CDC) Workshop will be provided on Friday and Saturday. The encounter schedule will be posted on-line as it becomes available

The 23<sup>rd</sup> National Cursillo Encounter is in need of volunteers! We anticipate a need of over 100 volunteers in order to provide all of the services to our anticipated 600-900 participants.

Most of these volunteers are needed for only a few hours during the course of the entire 3-day event. Their compensation will be the gratitude of those attending as well as the National Staff and Secretariat.

If you have any individuals who are attending the Encounter that would like to volunteer, or anyone who would just like to volunteer without attending (they would need to provide their own transportation and meals), please send their names and contact information to:

# CURSILLO PICNIC

---

SUNDAY, JULY 14, 2013, 12:00 P.M.

BOWDOIN PARK

PAVILLION 4

SHEAFE ROAD, WAPPINGERS FALLS, NEW YORK

Mass will be celebrated at 1 p.m.

This will be a family affair. There are covered picnic tables, a playground and swings for the kids and even a field for those who want to play baseball, etc. There will be a grill available but you can bring your own.

Please bring a dessert for the sharing table. Also, of course, bring your food and drink. Alcohol is allowed (we acquired a permit for this day). It might also be wise to bring lawn chairs, as picnic tables tend to get a little uncomfortable after a while. (There are bathrooms right in the pavilion for those who might be wondering)

Just an FYI, due to the costs of renting the pavilion, there will be a basket for a free will offering. Anything you can afford will be greatly and humbly accepted. Thank you.

If you have any questions, please call Jeanette Fitch: 845-463-4336  
Also, if you do plan on attending, please let her know so we can get an idea of how many people we are planning for.

Directions: If lost call Jeanette's cell: 845-721-6725

From North on Route 9: Go south until you get to Route 9D (south hills mall) take a right here. Go to Delevergene Avenue, make a right (as if you were going to Mt. Alvernia). Follow this to the end and make a left. The park will be about a mile or so on your right. When you drive in, there will be balloons on your immediate right, pull in there, follow until you get to the parking lot which will be on your left.

From South on Route 9: Go North until you get to 9D (south hills mall) and follow directions as above.

## ***A Cursillista Reflects on her Weekend #207***

***I give you a new commandment, says the Lord, love one another as I have loved you. Jn 13:34***

My Cursillo experience began on April 16, 2013 with a phone call to Sr. Anne James to discuss vocations.

She suggested that I attend, if at all possible, the upcoming Cursillo weekend. Even though I had no idea what Cursillo was about, I said I would come, didn't give it a second thought, and had the most wonderful weekend.

Sr. Anne James was so kind when I arrived on the afternoon of April 18, 2013. She introduced me to Sr. Laura and Sr. Antonia. Both were so gracious, invited me to dinner, and shared their most special ministries with me.

Then Cursillo began. Everyone was so nice, giving, supportive and so open to both the good and bad experiences of their lives, while never losing their faith in God. By being with each other, praying, sharing meals, listening to the team members, and summarizing what each one told and taught us, we became so close to one another that it felt that we knew each other for years.

Sr. Anne James and Fr. Thomas Kreiser, our Spiritual Directors, further enhanced this faith-based atmosphere by their intellect, presence, presentations, educating us on the sacraments and helping us remember, "Be still and know I am God".

Fr. Tom was with us, celebrated Holy Mass, heard confessions, played the guitar, and shared meals with us, while still fulfilling his very busy schedule at his own parish.

Special thanks to both of them, as well as to Lynne, Pat, Karen, Kelly, all the other team members for all of their hard work in putting this all together, and to all the candidates that participated.

We don't know what the future will bring but, may we continue our journey on "Christ's Road", not take any detours, and offer a ride to as many people as possible along the way.

In closing, may I quote the late Terence Cardinal Cooke from the Meditations of Mary, 1958, "If we wish to become unselfish, there is one road open to us, the road of kindness. Every step along this road is a step heavenwards".

DeColores,  
Donna Grusaky

# Message to Cursillistas in Argentina from Cardinal Jorge Mario Bergoglio (now Pope Francis)

Dear Cursillistas,

"The Good Seeds are those who belong to the Kingdom"(MT. 13:38)

As we get closer to the solemnity of Saint Paul, your Patron and Model of how to "live de Colores," we give thanks to God for all the fruits that throughout the years the work of the Cursillos de Cristiandad have generously given the Church.our Service of announcing Christ, being witness in the everyday environments, is to live and renew in a concrete way the Baptism that in HIM we have received and therefore transforms you into disciples and missionaries of the Word.

According to the Constitution of the Church (#33) :

*The lay apostolate is a participation in the salvific mission of the Church itself. Through their baptism and confirmation all are commissioned to that apostolate by the Lord Himself.*

Even as I write to you, I am very well aware of the difficulties that present themselves while trying to insert the Gospel into our society and also very well aware of your boldness and apostolic fervor, born of that personal encounter between yourselves and Christ which leads you forward to make history, for the good of many; and that the many, whether they are on the fringes of society or not, feel the loving embrace of Jesus.

Being a pilgrim in our society means to be open to life and pay very close attention to what happens within our hearts just like a good Samaritan before the difficult reality of so many brothers and sisters.

It is necessary that the Cursillo Movement through the participation of everyone continues its journey of pastoral conversion.

As Cursillistas, in difficult times, you need to ask God for the Grace to sponsor many candidates, to always have a pre-Cursillo in motion, so that you will not fall into a hopelessness that paralyzes and causes anguish.

The gift of the Kerygma (the apostolic proclamation of religious truths) received during your Cursillo is missionary, just like the tripod points out (piety, study, and action).

As a Church all of us need unity in Christ, so that HE, only HE, reigns in our hearts and only then we will be able to recognize HIM as the disciples did in Emmaus.

As I thank you for your pilgrimage as Cursillistas, I ask you to never cease to renew in Jesus' Eucharist your apostolic fervor and that of your brothers and sisters in Group Reunions.

Now, more than ever we need your closeness in the environment to be light and joy for so many brothers and sisters who ignore God as a Father that loves them with tenderness.

Today, more than ever we need your presence so that many families can find the transcendent love of Christ - a newer and larger dimension of human love.

Today, more than ever we need your presence and your witness in the Ultreyas, to keep moving forward in the proclamation and living out the Kerygma.

I ask you to pray for me. May God and the Virgin, Mother of the Divine Grace, be with you and take care of you!

Sincerely,  
Cardinal Jorge Mario Bergoglio, S.J.  
Archbishop of Buenos Aires

April 23, 2013

Dear Brothers and Sisters in Christ,

After spending 3 weeks in the National Cursillo Service Administrator (NCSA) position I have something to share with you from my heart:

1. I was struck by the simplicity of our "Headquarters" in Jarrell, Texas and it made me relate to the birthplace of Jesus in Bethlehem. I felt such an instant connection with this place that I called it "home" with a sense of total belonging. During the last 8 months, this National Cursillo Center (NCC), without an executive director, was managed by a group of Cursillistas who volunteered their time and talents for the sake of the Movement. I'm touched by their conviction and attachment to the Center. They are true servant leaders who act at the highest level of integrity and accountability.
2. I have been overwhelmed by emails and phone calls with kind words of congratulations, encouragement and support. Yes, I've made quite a lot of friends and amazingly we became close friends in no time. What a wonderful Charism of Friendship!
3. The National Cursillo Center (NCC) is experiencing instability in finance and operation. A lot of things need to be organized, streamlined and optimized. I am currently designing a system with transparent processes for improving effectiveness of the NCC in terms of administration, operation, finance, and communication. Your collaboration and support are greatly needed for the success of the NCC and particularly for the upcoming 23<sup>rd</sup> National Encounter at Hofstra University in July.

I have started a new chapter of my life when I said "yes" to serve the National Cursillo Movement. The NCSA position is not a job but a special vocation to me. I keep thanking God for granting me the opportunity to work closely with the National Secretariat, Executive Committee, and National Language Coordinators in managing the NCC and promoting the authenticity of the foundational Charism. I constantly offer the National Cursillo Movement to the Eucharist at daily Mass and ask God to grant us the grace of living the Mystical Body of Christ with conviction 24/7. No matter where we serve the Cursillo Movement, at the Diocesan, Regional, or National level, we are ONE and inseparable! I can't wait to meet you personally at the 23<sup>rd</sup> National Encounter.
