Dear Hugh,

Greetings and blessings in this new year! I have carefully read your recent letter and the Annual Report sent to me at the beginning of the year. It appears that the leadership in the Cursillo Movement has been very active, looking at itself with openness and finding ways to improve so that the Movement can become more focused and visible to the wider diocesan community. Congratulations!

I have looked at the slate of nominees for the various elected positions on the Secretariat and approve of those who have been selected to continue this work in the Cursillo Movement.

Be assured of my continued prayers for the ministry this Movement provides. May many experience the profound love of the Lord through Cursillo.

Sincerely in the peace and joy of Christ,
