Subject: New Spiritual Advisor Manual

Recently the National Staff and National Secretariat of the Cursillo Movement have been responding to the invitation of Saint Pope John Paul II for Movements and Religious Orders to study the person and ideas of their particular founder. One recent result is the publishing of a new Pilgrim's Guide that is more closely like the one used in Mallorca, Spain and that we hope brings more uniformity among those used around the world.

Following this idea one of the spiritual advisors in the Cursillo Movement began reviewing materials regarding the Spiritual Advisors Manual so that it might also reflect more closely to that approved by our founder and the Spiritual Advisors who assisted him in getting the initial approval for the Cursillo Movement to offer its charism in dioceses throughout Spain and then the world.

After a process of reviewing materials used in the Cursillo Movement by a number of her members and Spiritual Advisors the following Manual is presented to help those who minister to the Cursillo Movement present the truth and witness about the grace of God that supports our life of Piety, Study and Action for individual growth while using the gift of friendship to bring others to Christ.
