

Eduardo Bonnín, An Apprentice Christian
This book is a different type of biography. It is a series of interviews with Eduardo on different topics concerning his life and the Cursillo Movement. The Cursillos in Christianity opened a way to live the Gospel in the present time. Today, millions of people around the world conjugate in the first person the word of Christ, thanks to the experience of Cursillos, born in the Majorcan secular environment. This long conversation with Eduardo Bonnín, founder of the Cursillos, sheds light on the difficult and luminous trajectory of a man, made of heaven and clay, who was called to make transparent the tenderness of God in the world. Eduardo was the bearer of the Good News: “GOD LOVES YOU.” Between historical character and understanding of the mentality, we know through this reading the facts of Cursillo and the person of Eduardo Bonnín.

Millions of people have discovered the love of God through the experience lived in Cursillo, a Movement founded by the Spanish layman Eduardo Bonnín. Through these pages, Bonnín accurately and concisely uncovers the meaning of Cursillo and the methodology of this mature Charism that has changed the lives of so many. The founder explains the origins of this spirituality directed to today’s people and its expansion throughout the world, as well as outlining the pedagogy of the Cursillo.

Eduardo’s Thinking: The challenges the world presents the person have not changed: the absence of God in the mind and heart. The solution is always the same: It is Christ and his grace that is the only thing that can give meaning to Life. “Deep within us there is nothing to change; one thing is all that is needed: to understand “as yourself.” To repent and believe the Gospel. How do I need to love? As myself - it’s simple.” (Pages 82 &147)
